**Activity 1.** Work on your self-healing power and write various ways to boost your immune system.

**Activity 2.** International Yoga Day will be celebrated on 21st June across the world with great enthusiasm. Yoga is helping people to stay energetic and have strong immune system. Find Yoga exercises that help you to strengthen your respiratory system and increase the oxygen level in the body. Write about them in a creative manner. (You can select any two aasanas)

NOTE: Do Activity 1 in your Chemistry notebook.

1. Prepare different types of volcanoes in the Geography notebook.

2. Paste pictures of king Prithviraj and Rajendra Chola and collect information about them like their empire, regions, battles fought and their ruling years.

(Make it in a decorative handmade booklet)

Write about different number system and explain them briefly on A4 size sheet and paste that sheet in your computer notebooks
