## IMPORTANT CIRCULARS

Dear Parents,

Greetings from St. Joseph's Convent School, Piproli.

As informed earlier the new Academic Session 2021- 2022 will begin on the 5th April, 2021. The classes will be taken online. You are requested to see that your ward is regular in attending the classes and completing the daily assignments. Though teaching is done through online, kindly see that your child spends a fixed time daily in studying. This will enable her/ him to get into a pattern of learning and that there will not be much learning gap. If the child is not able to attend the online classes due to any problem, please inform the class teacher. Our joint effort will surely help the child cope with this situation and become successful in online learning.

Thank you for your kind cooperation. Together we shall help our students to gain an all-round development.

Thanking you,

Regards,

Principal

Dear parents,

Greetings from St. Joseph's Convent School.

I take this opportunity to thank each one of you dear parents for your kind co-operation with the school and the interest that you show to keep your ward always on a learning mode.

Very soon we will be starting the Periodic Test 3. This time it is planned to have it as an " Open Book Exam" which will have to be submitted offline.

The Question Paper will be available online at the prescribed time. The Answer Papers will have to be submitted in the school on the given date and time. Kindly ensure that the Answer papers are kept together and submitted. The Answer Papers of each subject should have the Name, Std, Section and Roll No. of the student.

Kindly also bring in the fee slip of the fee paid upto November.

A gentle reminder: Those of you who have not paid the fees, please pay it at the earliest.

Thanking You,

Principal

Greetings from St. Joseph's Convent School, Piproli.

Hope all of you had a meaningful celebration of Diwali and all are safe and doing well.

The School did its best to reduce the learning gap and kept the students connected to the school and the studies through a variety of online activities during this Pandemic situation.

The smooth and the effective running of the School largely depends on you Parents.

We thank those of you who understand and co-operate with the School and paid the fees on time.

There are many of you, who though making regular use of the online classes have failed to pay the fees since April 2020.

We kindly urge you to clear your dues at the earliest.

Parents, you have always cooperated with us and we function together. We are sure that we will sail through these hard times and will emerge victorious.

Thanking you,

Regards,

Greetings from St. Joseph's Convent School.

Dear Students,

Welcome back!

Hope all of you had a fruitful and relaxed summer and ready to continue with online studies.

Most of you might be missing the school, sisters, teachers, class mates, friends and play grounds. The school also is missing you so much. It's all empty without your energetic and vibrant presence. But we are confident that God will bless us and make our world healthy and happy again to be together again. All will be well again in a short time. Let us continue praying and learning through online to keep our minds enlightened. Students please do not get worried and tensed about online studies. Your teachers and sisters are with you.

Happy learning.

Dear Parents,

Greetings from St. Joseph's Convent School, Piproli.

The Summer Break is about to end. It's time to resume the online classes for your ward.

The second wave of COVID 19 has affected most of us severely and some of us have been disappointed and pained. In most cases God has protected and cared for us. With this we are encouraged to go forward and meet the challenges ahead.

Its now time for us to get the attention of our children and give them a new direction.

Kindly note the following:

1. The online classes will resume from the 21st of June, 2021, following the same class timetable.
2. Ensure that your child attends the classes regularly and is up-to-date with the assignments. In case of absence, please inform the class teacher.
3. You are advised to help your child draw a personal timetable other than the school timetable. This personal timetable will include, time for self study, other extra curricular activities like painting, drawing, yoga, dancing, singing, indoor games etc.
4. In addition, you can encourage your child to take care of personal belongings, maintaining cleanliness of their rooms, learning some skills like cooking, caring for the plants, making the best out of the waste and any other project.
5. Please give extra emphasis on developing their reading and writing skills. Some of these things might be covered in their classes.
6. PT 1 ( Periodical Test 1) will be conducted in the 1st week of July. The Syllabus and the Datesheet for the same will be given when the online classes start.

We shall work together to reduce the learning gap in our students and help them cope with the demands of the present situation. So that they remain happy, healthy and focused.

Thank you,

Regards,
